The signature of this form indicates agreement with all provisions stated above. Projects not removed from MML premises within 24 weeks (or other specified time frame) from date of signed agreement will result in forfeiture of students' \$1,000.00 fee and all materials associated with that project. MML may then dispose of the project as necessary to create space for new student projects. MML reserves the right to move the boat restoration project from the covered area under museum after giving the owner 30 days' notice.
